- Teachers will prepare a weekly class newsletter with student input (Term 2 – should these directives still be in place)
- Weekly school challenges to motivated students at home. Eg. Make an Easter Bonnet; My Jigsaw; Cake baking.etc.(On Student Portal)

Please note that teachers will only be making phone calls and answering emails between 9.00am and 3.00pm. This will occur this week and then resume in Term 2 should we still have the current directives. Teachers will not be available during the scheduled 2 week break from April 4 to April 19.

Please continue to reference updated COVID-19 information on the [Queensland Health](#) or [Australian Government](#) websites. These sites are being progressively updated and it is important to continue to stay in touch with the latest information.

I ask that you continue to take all necessary local actions to support your child's, and our school's, health and hygiene and act in a protective and preventative manner to help limit the spread of coronavirus.

I thank you for your patience as we have worked through these challenging times. Your support has allowed us to maintain a focus on our previously mentioned goals.
