12 June 2014

Student Councillors Priscilla S and Annaliese H, and School Captains Sophie S and Liam W, with Bruce and Denise Morcombe following the child safety presentation at school last Thursday. Students in Years 3-7 learned to recognise a potentially unsafe situation, react to it, and report it to a trusted adult. They also learned the importance of having a safety network. Parents can find more information about the Daniel Morcombe Foundation at www.danielmorcombe.com.au.

Community Café
Community Café returns next week with Sharon Blake, one of our prep team, who will offer parents the opportunity to learn about the online reading program “Reading Eggs”. The school has a licence that provides access for all students, including at home on a computer or mobile device, free of charge.

Congratulations Ky – An outstanding Achievement!
Congratulations Ky M for being selected in the Queensland Under 12 AFL team. Ky is the first Bald Hills student in quite a few years to make a state team and will travel to Sydney to take part in the nationals in July.

**Tall Tree Term 2 Celebration**

On the last day of this term, Friday 27 June we will be having our Tall Tree Term 2 Celebration. This event celebrates and rewards students who throughout this term have displayed consistent excellence in behaviour, both in the classroom and playground.

Students who demonstrate Tall Tree behaviour:
- Always listen in class and follow directions
- Always speak at the right time
- Always give 100% effort
- Always hand in homework (and assessment tasks)
- Are always on time for every lesson
- Always obey all classroom and school rules

Some of our tall trees this term are students who have grown from last term. It is wonderful to see students who are always striving to improve. The Tall Tree Term 2 Celebration will be an electronics party. An invitation and permission note to bring hand held gadgets to school will go home to students who are tall trees next week.

Be a Tall Tree — Be a Learner, Be Respectful, Be Responsible, Be safe!

**Forestry News**
Two of our former students who attended Bald Hills State School in the 1930s were invited to be part of the Channel 7 visit. Kenny and Eric planted Hoop Pines in the Forestry over 70 years ago. Kenny Gould lived in the old school house (now school care) for 14 years while his father was Principal. He told stories of having swimming lessons in the river and exploring the Bald Hills Flats. Across from the Forestry was a stand of Eucalypts. Here he found a fox den and the carcasses of 5 platypus. Kenny said that platypus were often seen in the river. Now you are lucky to see one.

The Lunchtime Forestry Club students sat with rapt attention while Bill spoke to them about the news and how it is made.
