Under the agreement for 2015
Bald Hills State School will receive

$206,367*  
*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure 100% of students meet the National Minimum Standards for Reading, Writing and Numeracy, or have an evidence-based Individual Learning Plan in place*
- Achieve an increased number of students performing in the NAPLAN Upper Two Bands (Year 3 Reading 55%, Writing 45% and Numeracy 40%, Year 5 Reading 40%, Writing 25% and Numeracy 35%*)
- Build teacher capabilities through professional support and learning opportunities to adopt evidence-based practices to improve student learning outcomes*
- Provide diagnostic and targeted intervention for all students with a focus in the Early Years (Prep – Year 2)
- Procure additional physical and human resources to support Literacy and Numeracy programs

Our strategy will be to

- Provide additional resourcing to support students and classroom programs (teacher aide, teacher and Speech Language Pathologist salary)
- Continue the implement the school’s Pedagogical Framework
- Improve feedback to teachers that informs teaching and learning through student data generation and analysis (e.g. PAT Reading and Mathematics, PM Benchmark), peer observation conversations, moderation of student work, and coaching
- Acquire resources and programs and facilitate implementation and improved coordination across the school
- Establish networks and relationships within the local community (parents, pre-prep providers, schools) and professional organisations (schools, universities and researchers) that support the school’s endeavours

Our school will improve student outcomes by

- Direct investment in student learning (teacher/teacher aide and SLP salaries) $116000
- Investment in evidence-based teaching and expert teaching teams (including professional learning opportunities and teacher release) $ 34867
- Investment in the school's organisational capacity (including resources to support the delivery of programs, data management and administration to assist autonomy) $ 55500
